“I love the magazine because it makes the phone ring! I run a local business that uses Hometown Savvy as a form of advertising. I get so excited when I know the next issue is coming out, because that mean a whole lot of new business is headed my way. Overall, I've obtained a great, dedicated customer base from the Hometown Savvy and I've found a lot of great businesses.”

“I love my Hometown Savvy guide! Not only do I get coupons for my favorite shops and restaurants, but I find out about new places. I needed to get some trees trimmed and removed last summer, so I called an Arborist from the guide and saved \$150! The best thing about Hometown Savvy is the variety.”
